CELEBRATING OUR  
1ST YEAR!

NEWSLETTER NO. 1

OCTOBER 2013 TO 2014

DID YOU KNOW THAT THE WHOLE AREA OF THE MIDDLE EAR IS NO BIGGER THAN AN M&M... AND A NOISY LAWN MOWER IS 87 TO 94 dB !

## THAT WAS THE YEAR THAT WAS!

We send out a massive thank you to all of our clients, for making our first year as Amplify Hearing & Diagnostics such an enjoyable and successful one!

We have also enclosed a fridge magnet to say thanks for your support and to make it easier to give us a call.

## FIRST YEAR INITIATIVES

In our first year of operation we participated in a number of initiatives relevant to the hearing industry. We held Open days that allowed people to come in, meet, have a hearing test and share a scone or delicious biscuit.

We ran a hearing aid trial featuring the Starkey Soundlens™ that was very interesting and informative for clients and Practitioners alike.

In March we were proud to take part in the NSW Seniors Week, followed by Hearing Awareness week in August. Both are very important events for hearing awareness in the general public.

## REFER A FRIEND OFFER

Due to the success of our Hearing Awareness Week hearing health checks, we are extending the offer to your family and friends and as a small token of our appreciation for your continued support, you too could benefit. Simply write your name on the attached voucher and select your gift option, then hand it to a friend or family member. When they present the voucher at their FREE hearing health check we will send you your chosen gift. It is that simple! *Some conditions apply.*

## SITES

We aim to provide the highest quality service to our Albury clients and this year saw us branch out to offer our full gamut of services to the people of Wodonga, Cobram and Tocumwal.

**WODONGA** Wodonga Podiatrist, 80 Vermont St.  
**COBRAM** Cobram Medical Clinic, Charles St.  
**TOCUMWAL** Community Health Centre, Adams St.

## “1 IN 6 AUSTRALIANS ARE AFFECTED BY HEARING LOSS”

### WHEN WAS YOUR LAST CHECK UP?

It is recommended that you have a checkup at least every 6 months, even if things are going well. At these appointments we can clean and service your hearing aids to ensure you are getting the most out of them. These appointments are generally free and can help extend the life of your hearing aids.

Call us today or visit us for more information or to book your checkup. We look forward to servicing you and your families for all your hearing needs long into the future.

## SERVICES

- \* Adult and Child screening and diagnostic hearing tests
- \* Hearing aid assessments and prescriptions
- \* Hearing aid fittings, adjustments and repairs
- \* Custom made moulds for swimming and noise reduction
- \* Custom made IEM, musicians plugs and impressions
- \* Employment Audiograms
- \* Rehabilitation and advice
- \* NSW & VIC Workers Compensation

## NEED BATTERIES?

Simply call our office on 0260 217 500 and we will send them out to you in the post.

## SENIORS CARD?

Present your seniors card to receive 10% off hearing aid batteries
